Independent Auditors' Report

To the Members of
MosChip Institute of Silicon Systems Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of MosChip Institute of Silicon Systems Private Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'the financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ('Ind AS') and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021 and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key audit matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards ('Ind AS') and other accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of Section 143(11) of the Act, we give in 'Annexure-A' a statement on the matters specified in paragraphs 3 and 4 of the Order to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit we report that :
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. the Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure-B'.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the company.

iv. The disclosures in the financial statements regarding holdings as well as dealings in Specified Bank Notes during the period from 8th November 2016 to 30 December 2016 have not been made in these financial statements since they do not pertain to the financial year ended 31 March 2021.

4. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of amendments to section 197(16) of the Act:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditors' Report

With reference to Annexure A as referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of the company on the financial statement for the year ended 31 March 2021, we report the following:

Sl No.	Ref to CARO	Report by Independent Auditors
1	3(i)	Fixed Assets
	3(i)(a)	The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets on the basis of available information.
	3(i)(b)	The Company has a regular program of physical verification of its fixed assets, by which all fixed assets are verified on annual basis, in our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, all fixed assets were physically verified during the year. According to the information and explanation given to us, no material discrepancies were noticed on such verification.
2	3(i)(c)	The Company is not holding any immovable properties and accordingly clause 3(i) of the Order is not applicable to the Company for the year under review.
	3(ii)	Inventories As explained to us, the inventories has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The Company has maintained proper records of inventory. There were no material discrepancies noticed on verification between the physical stock and the book records.
3	3(iii)	Loans to parties covered by Sec.189 of the Companies Act,2013 ('the Act') According to the information and explanation given to us, the Company has not granted any loans, secured or unsecured to body corporate, firms, Limited Liability Firms or other parties covered in the register required to be maintained under section 189 of the Act. Accordingly the provisions of the clause 3 (iii) of the Order are not applicable to the Company for the year under review.
4	3(iv)	Loans ,guarantees, securities to and investments in other companies
		In our opinion and according to the information and explanation given to us, the company has transactions for compliance with the provisions of Sections 185 or 186 and complied with the provisions of Section 186 of the Act in respect of making investments.
5	3(v)	Acceptance of deposits
		In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits during the year as per provisions of Section 73 or 76 of the Act and any other relevant provisions of the Act and the relevant Rules framed thereunder. Accordingly the provisions of the clause 3 (v) of the Order are not applicable to the Company for the year under review.
6	3(vi)	Maintenance of cost records
		According to the information and explanations given us, the maintenance of cost records prescribed the under section 148(1) of the Act read with Rule 3 of the Cost Audit Rules is not applicable to the company. Accordingly reporting under clause 3(vi) of the Order is not applicable to the Company for the year under review.

Sl No.	Ref to CARO	Report by Independent Auditors
7	3(vii)	Statutory Dues
	3(vii)(a)	According to the information and explanations given to us and on the basis of our examination of the record of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Provident Fund, Employee's State insurance, Income Tax, Goods and Service Tax, duty of Customs, Cess and other material statutory dues have been deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income tax, Goods and Service Tax, duty of Customs, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.
	3(vii)(b)	According to the information and explanation given to us, there are no dues of statutory dues of Income tax, sales tax, Service tax, Goods and Service tax, Customs duty, Excise duty, Value added tax, cess and other dues have not been deposited by the Company on account of any disputes.
	3(viii)	Defaults in repayments to Financial Institutions/Banks/Debenture holders
		In our opinion and according to the information and explanation given to us, the Company has not defaulted in the payment/repayments of loans or borrowings to the banks. The Company did not have any outstanding loans or borrowings from financial Institutions or Government.
9	3(ix)	Initial public offer/further offer
		In our opinion and according to the information and explanation given to us, the company has not made, for the year under review, any initial public offer or further public offer of securities (including debt instruments) or the term loans during the year and hence reporting under clause 3(ix) of the Order is not applicable to the company.
10	3(x)	Frauds by or on the company
		In our opinion and according to the information and explanation given to us, no material fraud on the Company or on the Company by its officers or employees has been noticed are reported during the course of our audit.
11	3(xi)	Managerial Remuneration
		In our opinion and according to the information and explanation given to us based on the examination of the records of the Company, the company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with schedule V to the Act.
12	3(xii)	Nidhi company
		In our opinion and according to the information and explanation given to us, the company is not a Nidhi Company as prescribed under Section 406 of the Act and hence paragraph 3(xii) of the Order is not applicable to the company.

Sl No.	Ref to CARO	Report by Independent Auditors
	3(xiii)	Transactions with Related parties In our opinion and according to the information and explanation given to us and based on our examination of the records of the Company, all transactions with related parties are in compliance with provisions of section 177 and section 188 of the Act where applicable, and the details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
14	3(xiv)	Preferential allotment u/s 62 or private placement u/s 42 of the Act According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company.
15	3(xv)	Non-cash transactions with directors u/s 192 of the Act In our opinion and according to the information and explanation given to us and based on our examination of the records of the Company, the company has not entered into any non cash transactions with its Directors or persons connected to its Directors or persons connected with him and hence provisions of Sec 192 of the Act and paragraph 3(xv) of the Order are not applicable to the company.
16	3(xvi)	Registration u/s 45-1A of RBI Act,1934 According to the information and explanation given to us, The company is not required to be registered under section 45-1A of the Reserve bank of India Act, 1934 and hence paragraph 3(xvi) of the Order is not applicable to the company.

Annexure B to the Independent Auditors' Report

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of MosChip Institute of Silicon Systems Private Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the Orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

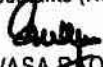

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2021, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

1 Corporate Information

Moschip Institute of Silicon Systems Private Limited ('the Company') was incorporated on 03 January 2011 as a private limited company under the Companies Act, 1956. The Registered office of the Company is situated at Plot No.11, Galton Centre, Shilpi Valley, Madhapur, Hyderabad, Telangana 500081.

The Company is a 100% subsidiary of Moschip Technologies Limited.

The Company is engaged in to business of Training in Chip design and development. The Financial Statements for the year ended March 31, 2021 were approved by the Board of Directors and authorise for issue on 26 April 2021

2 Significant accounting policies

2.1 Statement of Compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to

2.2 Basis for preparation of standalone financial statements:

These standalone financial statements have been prepared in Indian Rupee which is the functional currency of the Company.

These standalone financial statements have been prepared on historical cost basis, except for certain financial instruments which are measured at fair value or amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

The statement of cash flows have been prepared under indirect method.

2.3 Use of Estimates:

The preparation of standalone financial statements requires the management of the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of standalone financial statements, disclosure of contingent liabilities as at the date of the standalone financial statements, and the reported amounts of income and expenses during the reported period. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

2.3 Use of Estimates:

Critical accounting estimates

(i) Income taxes and deferred taxes

The major tax jurisdictions for the Company are India and the United States of America. Significant judgments are involved in determining the provision for income taxes including judgment on whether tax positions are probable of being sustained in tax assessments. A tax assessment can involve complex issues, which can only be resolved over extended time periods. Deferred tax is recorded on temporary differences between the tax bases of assets and liabilities and their carrying amounts, at the rates that have been enacted or substantively enacted at the reporting date.

The ultimate realization of deferred tax assets is dependent upon the generation of future taxable profits during the periods in which those temporary differences and tax loss carry forwards become deductible. The Company considers the expected reversal of deferred tax liabilities and projected future taxable income in making this assessment. The amount of the deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry-forward period are reduced.

(ii) Property, plant and equipment

Property, plant and equipment represent a significant proportion of the asset base of the Company. The charge in respect of periodic depreciation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of Company's assets are determined by management at the time the asset is acquired and reviewed at the end of each reporting period. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.

(iii) Provisions

A provision is recognised when the Company has a present obligation as a result of a past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(iv) Estimation uncertainties relating to the COVID-19 pandemic

The Company has considered the possible effects that may result from COVID-19, a global pandemic, on the carrying amount of receivables, unbilled revenue, intangible assets and goodwill. In developing the assumptions relating to the possible future uncertainties in global economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used an internal and external source of information including economic forecasts. The Company based on current estimates expects the carrying amount of the above assets will be

2.4 Property, plant and equipment**Recognition and measurement**

Property, Plant & Equipment and intangible assets are stated at cost less accumulated depreciation/amortisation and net of impairment. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable costs of bringing the item to its working condition for its intended use and estimated cost of dismantling and removing the item and restoring the site on which it is located. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

The cost of property, plant and equipment not available for use as at each reporting date is disclosed under capital work in progress.

Depreciable amount for assets is the cost of an asset, less its estimated residual value. Depreciation on Property, Plant & Equipment (including assets taken on lease), other than freehold land, is charged based on the straight line method on the estimated useful life as prescribed in schedule II to the Companies Act, 2013 except in respect of the certain categories of assets, where the life of the assets has been assessed based on internal technical estimate, considering the nature of the asset and estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes. The estimated useful lives of assets are as follows:

Useful lives of depreciable assets	Useful Life
Electrical Installation	10
Plant and Machinery	5
Furniture and fixtures	10
Office equipment's	5
Computers	3

2.5 Leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to MosChip's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts

2.6 Impairment of assets**(i) Financial assets**

The Group applies the expected credit loss model for recognizing impairment loss on financial assets

Expected credit loss is the difference between the contractual cash flows and the cash flows that the entity expects to receive discounted using effective interest rate.

Loss allowances for trade receivables are measured at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument. Lifetime expected credit loss is computed based on a provision matrix which takes in to the account historical credit loss experience adjusted for forward looking information. For other financial assets, expected credit loss is measured at the amount equal to twelve months expected credit loss unless there has been a significant increase in credit risk from initial recognition, in which case those are measured at lifetime expected credit loss.

(ii) Non-financial assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

2.7 Revenue recognition

The Company derives revenues primarily from business of Training in Chip design and development. Revenue is recognised upon receipt of fee from student.

2.8 Foreign currencies

In preparing the Standalone Financial Statements of the Company, transactions in currencies other than the company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated. Exchange differences on monetary items are recognised in statement of profit or loss in the period in which they arise.

2.9 Financial instruments

Financial assets and liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised in profit or loss.

(i) Non-derivative financial instruments:

Cash and cash equivalents

The Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash and that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate method less impairment losses, if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial liabilities

Financial liabilities are subsequently carried at amortised cost using the effective interest rate method or at FVTPL. For financial liabilities carried at amortised cost, the carrying amounts approximate fair values due to the short term maturities of these instruments. Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised in a business combination, or is held for trading or it is designated as FVTPL. Financial liabilities at FVTPL are stated at fair value, with any gains or losses arising on remeasurement recognised in profit and loss.

2.10 Employee benefits

a Defined benefit plans

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. The gratuity plan provides for a lump sum payment to employees at retirement, death, incapacitation or termination of the employment based on the respective employee's last drawn salary and the tenure of the employment.

b Defined contribution plans

Provident fund and ESIC: The Group's contributions to defined contribution plans are charged to the income statement as and when the services are received from the employees.

c Compensated absences:

The Group provides for compensated absences and long term service awards subject to Group's rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment or availment. The liability is accrued based on the number of days of unavailed leave at each Balance Sheet date and the awards are accrued based on number years of service of an employee. It is measured at the balance sheet date on the basis of an independent actuarial valuation using the Projected Unit Credit method.

Actuarial gains and losses are recognised in full in the consolidated statement of profit and loss in the period in which they occur.

d Other short-term employee benefits

Other short-term employee benefits such as overseas social security contributions and performance incentives expected to be paid in exchange for services rendered by employees, are recognised in the consolidated statement of profit and loss during the period when the employee renders the

2.11 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

Current tax is determined as the amount of tax payable in respect of taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

2.12 Earnings per share

Basic earnings per share ("EPS") is calculated by dividing the net profit for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period.

For calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value(i.e. the average market value of the outstanding equity shares).

2.13 Provisions and Contingent liabilities & contingent assets

A provision is recognized when the Group has a present obligation as a result of past event, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance costs.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the financial statements.

3 Recent Indian Accounting Standards (Ind AS)

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021. Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

- a Lease liabilities should be separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- b Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- c Specified format for disclosure of shareholding of promoters
- d Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.
- e If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used
- f Specific disclosure under 'additional regulatory requirement' such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in name of company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties, details of benami property held etc

Statement of profit and loss:

- a Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

23 Leases**Where the Company is a lessee:**

The Company has elected not to apply the requirements of Ind AS 116 to leases which are expiring within 12 months from the date of transition by class of asset and leases for which the underlying asset is of low value on a lease-by-lease basis.

After considering current and future economic conditions, the Company has concluded that all lease agreements are cancellable, hence there are no leases which falls under Ind AS 116 Leases.

The Company has taken various office premises under operating leases. The leases typically run for a term ranging from one to five years, with an option to renew the lease after the term completion. The escalation clause in these arrangement ranges from 5% to 15%.

- i) Lease rents under the operating Leases are recognized in the Statement Profit & Loss on a accrued basis. The total charge as rent to the Statement of Profit & Loss for the year is Rs.3,115,339/- for Office.

Particulars	Year ended 31-Mar-21	Year ended 31-Mar-20

(All amounts in Indian Rupees, except share data and where otherwise stated)

24 Earnings per share

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity Shares.

The following table sets out the computation of basic and diluted earnings per share:

Particulars	Year ended 31-Mar-21	Year ended 31-Mar-20
Profit for the year	(12,554,941)	1,186,751
Profit attributable to equity share holders	(12,554,941)	1,186,751
Shares		
Weighted average number of equity shares outstanding during the year – basic and diluted	10,000	10,000
Earnings per share of par value ₹ 10 – Basic (₹)	(1,255)	119
Earnings per share of par value ₹ 10 – Diluted (₹)	(1,255)	119

25 Deferred Tax

Computation of deferred tax	Year ended 31-Mar-21	Year ended 31-Mar-20
Opening Balance	236,981	(4,935)
On depreciation	75,781	(48,036)
Disallowance on account of non payment of TDS	161,200	128,752
Employee Benefits	-	161,200
Total timing difference	236,981	241,916
Net deferred tax (liability) / asset	-	236,981

The tax effect significant timing differences that has resulted in deferred tax asset are given below:

Particulars	For the year ended 31 March 2021		
	Opening Balance	Recognized current year	Closing Balance
On depreciation	75,781	(75,781)	-
Employee Benefits	161,200	(161,200)	-
Total timing difference	236,981	(236,981)	-

The tax effect significant timing differences that has resulted in deferred tax asset are given below:

Particulars	For the year ended 31 March 2021		
	Opening Balance	Recognized current year	Closing Balance
On depreciation	75,781	-	75,781
Disallowance on account of non payment of TDS	-	-	-
Employee Benefits	161,200	-	161,200
Total timing difference	236,981	-	236,981

The tax effect significant timing differences that has resulted in deferred tax asset are given below:

Particulars	For the year ended 31 March 2020		
	Opening Balance	Recognized current year	Closing Balance
On depreciation	123,817	48,036	75,781
Disallowance on account of non payment of TDS	(128,752)	(128,752)	-
Employee Benefits	-	(161,200)	161,200
Total timing difference	(4,935)	(241,916)	236,981

26 Dues to Micro, small and medium enterprises

The Company sought the information from all the suppliers. Based on the information received from suppliers and available with the Company, there are no outstanding amounts payable to creditors who have been identified as “suppliers” within the meaning of “Micro, Small and Medium Enterprises Development (MSMED) Act, 2006”. In the absence of the details from the suppliers we did not provide any financial liability in books. Hence there is not reportable information as required as per Sec 22(i) to (vi) of the MSMED Act, 2006 read with Schedule III of Companies Act, 2013.

27 Financial instruments

The significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised, in respect of each class of financial asset, financial liability and equity instrument are disclosed in note 3.12 to the financial statements.

(a) Financial assets and liabilities

The carrying value of financial instruments by categories as at March 31, 2021 is as follows:

	Fair value through profit or loss	Fair value through other comprehensive income	Amortised cost	Total carrying value
Financial asset				
Cash and cash equivalents	-	-	5,349,631	5,349,631
Loans	-	-	1,050,000	1,050,000
Total	-	-	6,399,631	6,399,631
Financial liabilities				
Trade payables			994,399	994,399
Total	-	-	994,399	994,399

The carrying value of financial instruments by categories as at March 31, 2020 is as follows:

	Fair value through profit or loss	Fair value through other comprehensive income	Amortised cost	Total carrying value
Financial asset				
Cash and cash equivalents	-	-	232,408	232,408
Loans	-	-	1,380,166	1,380,166
Total	-	-	1,612,574	1,612,574
Financial liabilities				
Trade payables	-	-	922,548	922,548
Total	-	-	922,548	922,548

*The fair value of cash and cash equivalents, other balances with bank, trade receivables, unbilled receivables, loans, trade payables, borrowing and certain other financial assets and liabilities approximate their carrying amount largely due to the short term nature of these instruments.

(b) Financial risk management objectives and policies

The Company is exposed to market risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Financial instruments affected by market risk include refundable deposits.

Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

	On demand	Less than 1 year	1-3 years	3 to 5 years	> 5 years	Total
Year ended March 31, 2021						
Trade payables	-	994,399	-	-	-	994,399

Impact of COVID-19 (Global pandemic)

The Company basis their assessment believes that the probability of the occurrence of their forecasted transactions is not impacted by COVID-19 pandemic. The Company has also considered the effect of changes, if any, in both counterparty credit risk and own credit risk. The Company continues to believe that there is no significant impact on its financial statements.
